We Fight for our Clients, and We Believe in Them

FOR OVER 15 YEARS, BOB PAVE AND DEBRA BOGAARDS' partnership, shared passion for trial advocacy and deep medical and technical knowledge have resulted in the firm's extraordinary success.

Pave & Bogaards is uniquely positioned to help people suffering from catastrophic injury and to defend people when crises arise. Historically, Pave & Bogaards has defended people in automobile, motorcycle and DUI accidents, brain injury and wrongful death cases, wrongful evictions and ADA cases for State Farm and Mercury insurance companies, Meltwater News and Bimbo Bakeries International Inc. The firm's attorneys obtain and retain clients because they are professional, aggressive and skillful—and because they win.

FOCUSED ON RESULTS Leading-edge litigators, Pave & Bogaards attorneys have an outstanding track record in jury trials and settlements. They evaluate cases early and thoroughly, resulting in prompt resolutions—and many outright dismissals—of even the most complex cases for the defense. The attorneys put a premium on responsiveness, compassion and keen attention to detail. Moreover, clients and colleagues alike find them to be fair and reasonable.

Robert Pave was born in Poland and spent his first five years in Nazi concentration camps. Specializing in insurance defense and

civil trials for the past 37 years, he excels in complex medical cases, brain injuries and cases involving bicycles, scooters and motorcycles. Pave has tried over 35 cases for State Farm alone in the Bay Area—and all were victories. He has now been chosen by his peers to appear in *Northern California Super Lawyers*®.

Debra Bogaards, managing partner, specializes in automobile accidents, psychological injuries, landlord/tenant law, Americans with Disabilities Act and sexual harassment cases. She also handles select plaintiffs' cases in these areas as well as in elder abuse and catastrophic injury. Practicing for over 28 years, Bogaards tenaciously fights for her clients with courage, conviction and integrity. She has won 29 jury trials and lost only one. Bogaards is a charter fellow of the American Academy of Trial Counsel, is on the board of directors of Legal Aid of Marin, and serves on the Hastings College of Law Board of Trustees. This is the fourth consecutive year that Bogaards has been named to *Northern California Super Lawyers*; in 2007, she was named among the Top 50 women lawyers in California.

Of counsel Brian Davis, partner David Hysinger and associate Melissa Edgcombe are also valuable attorneys in the firm. With its talented lawyers and winning record, Pave & Bogaards has earned an exceptional reputation among judges, mediators, lawyers and clients.
